

To the best of our knowledge, all products currently manufactured by Prototype Projects Ltd (Company No. 03926132) comply with the following regulations and directives, including all amendments current at the date of issue:

- REACH Regulation (EC) No 1907/2006
- UK REACH Regulation
- RoHS Directive 2011/65/EU
- Commission Delegated Directive (EU) 2015/863
- UK RoHS Regulations 2012 (as amended)

#### **SVHC Declaration**

Our products do not intentionally contain substances listed in the Candidate List of Substances of Very High Concern (SVHC) published by the European Chemicals Agency (ECHA) or the UK Health and Safety Executive (HSE) in concentrations above 0.1% weight by weight (w/w), unless otherwise stated. This declaration includes the current SVHC additions applicable at the date of issue.

#### **RoHS Declaration**

Our products do not contain substances restricted under Annex II of Directive 2011/65/EU and Commission Delegated Directive (EU) 2015/863 at concentrations exceeding the applicable Maximum Concentration Values (MCVs).

#### **Product Classification**

Prototype Projects Ltd products are not classified as Electrical and Electronic Equipment (EEE) under the RoHS Directive as they are not dependent on electrical current or electromagnetic fields for their intended function.

#### **REACH Registration Position**

As a manufacturer of articles that do not involve the intentional release of substances, Prototype Projects Ltd is not subject to registration, pre-registration or authorisation requirements under REACH or UK REACH for the products supplied.

This declaration is based on information available to Prototype Projects Ltd at the date of issue.

#### **Disclaimer**

This RoHS and REACH compliance declaration is believed to be accurate at the date of issue. Information contained within this declaration may be based on data supplied by external sources and suppliers. Prototype Projects Ltd does not warrant the absolute accuracy of supplier-provided information and has not necessarily performed analytical testing on all supplied materials or components. Liability arising from this declaration shall not exceed the purchase value of the supplied product(s).
